

قال الإمام الحجة القائم (عجل الله تعالى فرجه الشريف): **أما الحوادث الواقعة فارجعوا فيها إلى رواية حديثنا فإنهم حجتي عليكم و أنا حجة الله**

Imām al-Hujjah al-Qā'im (may Allāh hasten his return) has said: "As for those events that will occur in the future, (for the answer on how to deal with them), refer to those people who narrate our sayings (aḥādith) since surely they (the 'Ulamā) are my proof over you and I am the proof of Allāh."
